27TH August 2012

Dear Members,

The Annual General Meeting is to be held on 17th November 2012. The meeting will be followed by dinner and a guest speaker.

Tours of studs and commercial herds in close proximity to Mount Gambier will be arranged for Saturday and Sunday.

Flights from Adelaide and Melbourne are much cheaper when booked in advance. The train runs from Melbourne to Warrnambool with interconnecting buses to Mount Gambier which is a much cheaper option.

Please feel welcome to phone or email Steve McCourt for accommodation bookings, however a mailout in late September will cover travel and accommodation options in greater detail as well as an itinerary. Ray and Toni Hughan are driving over from Western Australia and the Manley family will travel from Queensland.

Please make the commitment to attend and make the event a memorable one.

Confirmation of attendance for catering purposes is required by no later than 31st October, 2012.

If you are unable to attend this Meeting and wish to appoint a proxy then please complete and return the enclosed proxy form.

Kind Regards,

**Steve McCourt
President**
